Table of Contents

GENERAL LAYOUT OVERVIEW

The PDF file was created to assist in the distribution of MABAS Division 106 box cards. On the following pages you will find all the division box cards in PDF format also the file has station addresses with phone numbers and dispatch phone numbers also maps of station locations.

The PDF is broken down into sections for quickly finding the required information. The file is designed to be used with the attached bookmarks on the left or can be scrolled through to find the desired run card or station information. The Table of Contents has “hyper-links” to Each Communities Cards (This will be in the final document, once complete).

Division 106 PDF is broken down into sections:

Section 1: Division 106 Station Locations and Phone Numbers (By clicking on the Department Name you will be taken to the Communities Box Cards)

Section 3: Inter Divisional Cards

MABAS Division 106 Card Numbering Recommendation

Each Community is assigned an identifying number:

11- Big Bend	21- City of Brookfield
12- Vernon	22- Town of Brookfield
13- New Berlin	23- Butler
14- Tess Corners	24- Elm Grove
15- City of Waukesha	26- Lisbon
16- Village of Waukesha	27- Menomonee Falls
17- Waukesha County Emergency Government	28- Pewaukee
	29- Sussex
33- Kettle Moraine	42- Lake Country
34- Mukwonago	43- Hartland
36- Western Lakes	44- Merton Community

The type of card will fall into one of 9 categories and the final number of the card indicates the category:

- 1 = Structure fire/hydranted
- 2 = Structure fire/non-hydranted
- 3 = Life Safety or EMS
- 4 = Brush fire
- 5 = Water/Ice related
- 6 = Hazmat
- 7 = Tech rescue
- 8 = Target Hazard
- 9 = Disaster

Examples are:

- 34-11 would indicate Mukwonago Structure fire/hydranted
- 12-23 would indicate Vernon/Life Safety EMS
- 42-14 would indicate Lake Country/Brush fire

Numbers can be inserted before the final number to identify areas or specialties.

Examples are:

- If City of Brookfield has 2 different fire areas, a structure fire in area 1 would be 21-11. If that same fire was non-hydranted, the number would be 21-12
- An example of a specialty might be tech rescue either rope rescue or confined space. If the community is Tess Corners, the tech rescue ropes might be 14-17 and the card for confined space would be 14-27.
