Press Release: New MSA G1 air packs put into service.

Date: June 1st 2020

Tonight, we put our new MSA G1 air packs into service. The Reeseville Rural Town Group (Towns of Lowell, Portland, Elba & Village of Reeseville) made this purchase of 12 packs, 24 bottles, 17 masks and a RIT pack to help keep us safe while we serve our communities. We want to also thank 5 Alarm Fire and Safety Equipment - sales representative Pat Maloney, the Town Group Secretary/Treasurer - Christine Abell and Fire Chief Nic Gay for getting this done.
